

## Communications Committee Meeting

November 8, 2023

### MINUTES

**Members Present:** Rob Aiken, Carol Calabrese, Aviva Gold, Joe Russo

**Members Absent:** Jeremy Evans, Brian Gladwin, Molly Ryan, Eric Virkler

#### Fall Forum Recap

- We only got nine evaluations and not any great suggestions for future meeting topics. The committee suggests a different evaluation process. Possibly printed at the meeting, or perhaps a QR code and a few moments dedicated to completing the survey before adjourning the meeting

#### Annual Meeting Planning

- The June meeting falls on Juneteenth, a federal holiday. Aviva will ask Marijean if her preference is to move the meeting to the week prior or the week following.
- Topic idea: Economic Impact of ORDA.
  - This was a proposed idea for the Fall Forum as well.
  - ORDA has nice facilities to host the meeting
  - Possible speakers could be ORDA CEO, ROOST Economic Development, or Local Government
- Will get additional input from the board

**Adjournment:** 11:25am

**Next Meeting:** December 13, 2023 at 11:00am via Teams
