Annual Meeting

There was a brief discussion around whether or not to plan an in-person meeting for June. The possibility of an outdoor event was raised. Since it has been more than a year since membership was really engaged, more consideration is needed.

Membership Matters

Matt Siver noted that rejoining membership is very consistent.

Marijean Remington suggested that the committee focus on ensuring that financial institutions are targeted for membership, specifically SeaComm and Northern Federal who are getting more into commercial loans. M. Remington agreed to reach out to a contact at SeaComm.

The committee agreed a New Year greeting to membership, board and loan recipients would be a nice outreach. Aviva Gold agreed to set up a draft for approval.
