Atlantic Testing Laboratories Receives WBE Certification Canton, New York

October 3, 2014

Atlantic Testing Laboratories (ATL) is excited to announce that it has been certified as a Women Business Enterprise (WBE) by New York State Department of Economic Development, Division of Minority and Women's Business Development.

Marijean B. Remington, Chief Executive

Officer of ATL, stated, "ATL is very pleased to have obtained WBE certification. This will benefit ATL's long-standing relationships with state, county, municipal, and local clients, along with our partnerships with architectural, engineering, and construction firms."

ATL was established in 1967 and has offices in Canton, Albany, Binghamton, Elmira, Plattsburgh, Poughkeepsie, Rochester, Syracuse, Utica, and Watertown, New York.

ATL provides a broad range of technical services, including subsurface investigations, water-based investigations, geotechnical engineering, construction materials engineering and testing, special inspection services, pavement engineering, nondestructive testing, and asbestos and environmental services. More information about ATL is available at www.AtlanticTesting.com.
